## Letter of Authorization

Analytik Jena GmbH+Co. KG as an established and reputable manufacturer of analytical and life science equipment, having factories at Konrad-Zuse-Str. 1, 07745 Jena, Germany hereby certifies that:

Instrumentación y Componentes, S.A.  
Plataforma Logística Zaragoza, C/Alaún, no 8  
50197 Zaragoza  
Spain

has been authorized as exclusive Analytik Jena GmbH+Co. KG distributor and technical service partner for the territory of Spain. They are well equipped and authorized to offer sales, after sales services, installation, training and support of sold instruments in their own name and for their own account for the following products:

- 1- Atomic Absorption Spectrometry (AAS)
- 2- ICP-OES and ICP-MS
- 3- Molecular Spectroscopy (UV-VIS)
- 4- Sum Parameters (TOC & AOX)
- 5- Elemental Analyzers (C, S, N & Cl)
- 6- Mercury Analyzer (Hg)

as well as corresponding accessories

Instrumentación y Componentes, S.A. is authorized to negotiate both commercially and technically on our behalf providing quotations for above mentioned Analytik Jena GmbH+Co. KG products and to provide technical service to the customers in Spain.
